Cash Flow Projection

Monthly & Annual Cash Flow

Item	Monthly	Annual
Gross Rental Income (market)	\$4,200	\$50,400
Vacancy (1% DealGapIQ default)	-\$42	-\$504
Effective Gross Income	\$4,158	\$49,896
Mortgage P&I (6%, 30-yr, 80% LTV)	-\$3,458	-\$41,496
Property Taxes (1.2% non-homestead)	-\$721	-\$8,652
Insurance (1% of price — FL flag)	-\$601	-\$7,210
HOA (Grand Isles)	-\$210	-\$2,520
Maintenance (5% of rent)	-\$210	-\$2,520
CapEx (5% of rent)	-\$210	-\$2,520
Utilities owner-paid	-\$100	-\$1,200
Pest Control	-\$17	-\$200
Net Cash Flow (LTR @ FMV)	-\$1,369	-\$16,428

Investment Metrics

Metric	Value	Assessment
Cap Rate	3.48%	Below typical 5% threshold — appreciation/lifestyle play, not income
Cash-on-Cash Return	-7.9%	Negative leverage at 6% rates vs 3.5% cap; fix requires cash, lower price, or S
Gross Rent Multiplier	14.3x	Tight for FL — typical investor target 8–11x
Debt Service Coverage	0.60	Well below 1.25 lender minimum; will not qualify for DSCR loan
1% Rule	0.58%	Below 1% rule — Wellington is appreciation, not yield
Break-Even Occupancy	127%	Cannot break even on rent alone at FMV + financing

Mortgage Summary

Parameter	Value
Purchase Price	\$721,000 (FMV)
Down Payment	\$144,200 (20%)
Loan Amount	\$576,800
Interest Rate	6.00% (DealGapIQ default)
Loan Term	30-year fixed
Monthly P&I	\$3,458
Total Monthly (PITI)	\$4,990 (incl. tax/ins/HOA)

Neighborhood Analysis

Neighborhood Details

Factor	Detail	Notes
Elementary	Equestrian Trails — GreatSchools 10/10	Top 1% in Florida; signature draw
Middle School	Polo Park Middle — ~7/10	Solid; balanced academics & arts
High School	Palm Beach Central — split ratings	Niche A-, GreatSchools 4/10 — verify in person
Equestrian Access	WEF / Wellington International	~\$521M annual economic impact; Dec–Mar season
Polo	International Polo Club ~3 min	Active polo & equestrian community
Walkability	Walk Score 7–10 (car dependent)	Suburban/gated layout; transit non-existent
Community	Grand Isles — 611 homes, 24/7 gated	Planned gate, tennis/pickleball, fitness
HOA Fee	~\$200–\$220/mo	Low for amenity stack; verify lease/STR rules

Area Demographics & Trends

Demographic	Value
Population Growth	Wellington steady; 33414 net inflow from NY/NJ
Median Age	~42 years (family-skewed)
Employment Rate	Healthy — equestrian, hospitality, healthcare, finance
Major Employers	Wellington Regional Medical, equestrian economy, county/school district

Investment Analysis

Investment Strategy Comparison

Strategy	Projected Return	Timeframe	Key Risk
Buy & Hold (LTR)	~15% 5-yr IRR via appreciation	5–10 years	Negative monthly cash flow at 6% rates; insurance shocks; rate-driven exit
STR / Seasonal Lease (WEC)	~10% unlevered (cash buyer)	Annual cycle	HOA may restrict short leases — verify before offer; off-season vacancy 5 mo
Fix & Flip	Limited margin	4–6 months	Soft buyer's market + DOM rising; twin actives at \$815K stale → margin compressed
BRRRR	Capital recycle limited	12–18 months	ARV ceiling near asking comps; rehab arbitrage thin in this price tier

Appreciation Projections

Timeline	Conservative (1%)	Moderate (3.5%)	Aggressive (6%)
Year 1	\$728,000	\$757,000	\$779,000
Year 3	\$743,000	\$834,800	\$908,000
Year 5	\$758,000	\$920,400	\$1,059,000
Year 10	\$796,500	\$1,174,500	\$1,556,500

Scenario Analysis

Scenario	Probability	Expected Return	Trigger
Bull Case	25%	+30% to +45% (5yr)	WEF expansion + FL insurance reform + sustained NY/NJ migration; STR/seasonal-lease income captured
Base Case	55%	+15% to +25% (5yr)	Steady 5% appreciation, sticky 6% rates, normal hurricane seasons; LTR breaks even by year 4
Bear Case	20%	-5% to -15% (5yr)	HOA bans short leases, FL insurance reverses gains, major hurricane, equestrian-economy contraction

Recommendation & Risk Factors

Investment Recommendation

Signal: **HOLD / WATCH** | **Suggested Offer: \$680,000 – \$720,000 (vs current twin asks \$815K+)**

3788 Moon Bay Cir is a high-quality home in an excellent equestrian-adjacent neighborhood (Grand Isles of Wellington), but the income economics do not pencil at conventional financing — at FMV \$721K and 6% rates, a long-term rental loses ~\$1,400/mo. The current 'twin' active listings asking \$815K–\$849K are ~\$95K–\$128K above defensible FMV; the soft buyer's market (~8 months supply, list prices -11% YoY) gives a buyer real negotiating leverage. Best fit: cash buyer (or 5+ year appreciation horizon) using a WEF seasonal-lease overlay during Jan–Apr — but ONLY after verifying Grand Isles HOA lease minimums, since a no-STR rule eliminates the strategy entirely.

Action Items Before Purchase

1. Verify Grand Isles HOA covenants on minimum lease term — STR strategy depends on this
2. Get fresh insurance quotes — if roof >15 yrs, expect \$10K–\$12K/yr (not \$7,210 default)
3. Inspect: roof age, HVAC, hurricane shutters, pool equipment (1998 build)
4. Confirm flood zone + check whether flood insurance is required
5. Anchor offer to closed comps (\$680K–\$720K), not stale twin asks at \$815K+
6. If pursuing STR: validate WEF seasonal ADRs with 2–3 local property managers

Risk Factors

Risk Factor	Probability	Impact	Notes
Florida Insurance Crisis	Medium-High	High	Still 2-3x 2019 levels; one bad season could spike further. 2026 saw first relief (Citizens -8.7%, PBC -11.9%).
HOA Lease Restrictions	Medium	High	Grand Isles may have minimum lease terms that eliminate STR/WEF seasonal strategy. MUST verify before offer.
Negative Leverage at 6% Rates	High	High	Cap rate ~3.5% vs 6% borrowing = ~\$1,400/mo cash bleed for any LTR investor
Hurricane / Flood	Medium	High	Wellington inland but not immune; verify flood zone and rebuilding cost coverage
Equestrian Economy Concentration	Low	Medium	WEF venue stability is a single-point demand driver for the Wellington premium

List-to-Sale Gap (Buyer's Market)	Medium	Low	Real risk to seller, opportunity for buyer — clearing prices ~94% of list right now
