1. How contacts opt in

DealGapIQ staff obtain permission to send informational SMS messages verbally, over the phone or in person. Marketing and promotional messages are not sent. A contact may decline. No message is sent unless the contact clearly agrees after hearing the required disclosures. Combined privacy policy and messaging terms are available at the URLs above and by request.

2. Required verbal opt-in script

Staff get verbal opt-in for messaging using this script:

Staff:	What's your phone number?
Contact:	Gives number.
Staff:	Do you want to receive informational messages from DealGapIQ? Message frequency varies. Message and data rates may apply. Reply STOP to unsubscribe or HELP for help. Our combined privacy policy and messaging terms and conditions are available by request at https://dealgapiq.com/privacy and https://dealgapiq.com/terms .
Contact:	I agree to get messages.

If the contact does not agree, staff do not enroll the number and DealGapIQ does not send SMS to that number.

3. Message types, frequency, and rates

By opting in, you agree to receive customer support replies, account assistance messages, and responses to inquiries you initiate with DealGapIQ via SMS. We do not send promotional or marketing SMS. Message frequency varies. Message and data rates may apply.

4. Opt-out and help

To stop receiving SMS messages, reply STOP to (617) 415-4236. You may also reply UNSUBSCRIBE. After you opt out, you will receive a one-time confirmation and we will not send further SMS unless you opt in again.

For help, reply HELP to (617) 415-4236 or email support@dealgapiq.com.
